

Huron City Schools continue efforts to go paperless. Beginning in December of 2016 the district will utilize BoardDocs as a governance tool for board of education meeting agendas and minutes. By using a paperless communication solution, Huron Schools will lower costs, increase transparency and reduce time of staff in the production process of board communication. To access board of education meeting agendas and minutes, click on the BoardDocs link. If there are any questions regarding BoardDocs or meeting information, please contact our business office at 419-433-1234 ext 5000.
