Auditor of State Presentation

Ms. Lori Brodie, Northwest Regional Liason for the Auditor of State, presented the Auditor of State Award to the Huron City School District. Criteria for this award including the on-time filing of financial documents and a clean audit.

Audience/Community Participation

Mr. John Ruff 807 Salem

Mr. Ruff addressed the board on behalf of the Athletic Boosters concerning "Pay to Participate." The boosters requested that the board not approve a pay to participate fee structure. The boosters goals are to support all student athletes with no strings attached. It has been a tradition at Huron not to make fees a barrier to participation. The boosters are afraid that this fee would prevent some kids from not being able to participate.

Superintendent's Discussion Items

Mr. Steve Camella introduced Huron High School Head Volleyball Coach, Don Woods. Coach Woods shared thoughts about the 2020 Volleyball season and the challenges caused by the pandemic. Coach Woods then introduced his Division III State Champion Volleyball Team.

Ms. Denise Zielske provided an update on the high school gymnasium project. The painting of the facility is complete. The LED lighting project is scheduled next and is expected to begin in the next week or so. The final phase will be the refinishing of the floor which will start on June 21st and will take 2 ½ to 3 weeks.

Mr. Muratori announced that the district is partnering with the Erie County Health Department to offer COVID vaccinations to students 12 and up and their families. The clinic will take place on May 20th.

Graduation is scheduled for May 28th at 7:00 pm. The plan is to use Huron Memorial Stadium (both the home and visitor bleachers). This will allow all to attend who desire to do so. May 29th is set as a rain date.

Treasurer's Discussion Items

Mr. Drewyor provided an overview of current district revenues and spending. Spending and revenue are tracking right at expected levels. The district is at its cash peak with receipt of the 2020 1st half taxes.

Mr. Drewyor reviewed the 5-Year Forecast. The district will end the year in deficit spending of about \$667k which is over \$200k favorable to the November forecast. Overall the forecast looks better than it in November but the district is still in a precarious financial situation. Without significant expenditure reductions or new revenue the district will have to borrow to meet payroll in FY23 and will be in a cash deficit in FY24. A board work session is requested prior to the June regular meeting to discuss the options in detail.
