### **Course Description**

Course content includes:

Members of the Concert Choir will study a wide variety of choral music. The Concert Choir will present one concert per quarter and will participate in OMEA sanctioned events. Opportunities will be given for students to perform in small ensembles as well as solo singing. It is recommended that members of the Concert Choir commit to this course for the entire year.

### **Course Pre-Requisite(s)**

This course is open to all students. While the Concert Choir is not an auditioned ensemble, Freshmen must be recommended by the Junior High director. This is to be considered as a preparatory class for membership in the Chorale.

### **Student Learning Objectives/Outcomes**

Besides learning healthy singing techniques, students enrolled in this course will learn the basic theoretical knowledge of music and develop knowledge of musical terminology. Students will learn a universal foreign language, that of MUSICAL NOTATION, as well as using basic mathematical skills in determining values of musical notes. Students will develop listening skills as well as working successfully in a large group setting.

### **Required Textbooks and Materials**

Music will be selected throughout the school year to challenge the student to become a better musician.
