

Blizzard Bag Assignment #2
8th Grade Science
Mrs. LaCrosse

Part ONE-

Listen to the podcast-

<https://listenwise.com/students/events/1302-hacking-photosynthesis>

Create a sketchnote in your science notebook that has drawings, text, and arrows connecting ideas. Obviously, this should be colored!!!

Part TWO-

Fill in this chart for observations that you make throughout a day. These observations can be related to anything.

I SEE	I THINK	I WONDER
