- Dec. 23-Jan. 1 Winter Break No School

3rd Grade to take Ohio State ELA Test

This week starting on Tuesday, October 27 running through Friday, October 30 the 3rd grade students will complete the Ohio State English Language Arts Assessment. The assessment has 2 parts and each part the students will be allotted up to 90 minutes to complete.

5th and 6th Grade Specials

With our hybrid schedule we are finding that many students have struggled with the online/remote days and staying caught up with the work. So we are using the time in the schedule when staff normally taught specials to give students time to get extra help and get caught up on their work.

We have also had to move the 5th and 6th grade choir into the gymnasium so we are not able to hold gym classes for the 5th and 6th grade students. We know this situation is not ideal but we are just trying to manage this the best we can.

Dress as your Favorite Idiom

Join the FUN!

Have you ever heard the phrase, “break a leg” or “hang in there?”

These are called idioms. You can research an idiom or other type of figurative language and dress up in your favorite one for school on Thursday/ Friday. Please be sure your attire is not distracting and will not prevent others from learning. Start planning now so you don’t “miss the boat” on this fun activity!

Grade Cards and Student Fees

This Friday, October 30 is the end of the first grading period. We hope to have grade cards ready for the students to take home on November 5 and 6.

Student fees this year will be \$55 for all grades. Fee statements will be sent out with your child’s first quarter grade card. Upon receiving your fee statement, fee money can be sent into school with your child, paid online through E-Z Pay or mailed directly to the Treasurer’s office. Please contact the school office if you have any questions.

Butterfly Garden

Thank you to Mr. Richard Hartley, Mrs. Sandy Schuh and the countless number of volunteers that have spent time helping to maintain the garden. The garden is looking fabulous and it is done through all volunteer labor and donations for supplies. If you have time to give and enjoy getting your hands dirty stop by and pull a few weeds. Even if you are waiting for your child to be dismissed any little bit helps. Anyone interested in making a donation to the garden please stop in the office.

Student Lockers

We originally planned not to have students utilizing lockers. Students were going to be able to carry their backpacks with them. That way they would have their supplies with them and we wouldn’t have to worry about students stopping at lockers and congregating/socializing and not maintaining proper social distancing. After trying this for a few weeks with the 5th and 6th grade students we did realize this would not work. We have since issued every student in grades 3 – 6 a locker. There are set times as to when the students are able to go to their lockers during the day. We also made sure students were separated by days attending when assigning lockers. Our custodians works to sanitize the lockers and door handle routinely throughout the day.
