

**Group Members:** \_\_\_\_\_

*Planning Worksheet*

**Video Type: Movie Trailer**

**Definition:** A short film preview or advertisement for a movie.

**Genre of new movie: Horror**

**Original Title:**

**New Title:**

**Steps**

Review other movie trailers for ideas:

Cut movie to smaller clips: Split on new scenes

Decide on primary characters and their roles: **See- *The Program***

Decide on location/environment clips: **See- *The Program***

Suggest tension and give examples of conflict: **See- *The Slap***

Hint at resolution (pick up pace of movie): **See- *The Finale***

Hint at a deeper secret or summarize what you've shown so far: **See- *The Stinger***

Move clips to timeline to create storyline. Be sure not to delete the film cut, but instead move it to the "storage area." NOTE: If you delete film and need it later, you must re-import the whole movie and that take almost 2 hours.

Describe title cards to use:

Types of transitions and animations:

Include a full script.

Create a storyboard.
